OL BUSINESS CONNECT

Enabling OL professional connections worldwide.

Discover our new platform specifically designed for Lorettonian Alumni Professionals to develop their business connections within the OL community. Whether you're looking for trustworthy professional partners, skilled people, experienced individuals who can provide insight and advice, or just a friendly professional in a new city to touch base with, OL Business Connect enables you to exchange with your OL peers in a secure, user-friendly and dynamic environment.

CONNECTIONS

Our business social platform allows you to utilise our trusted Lorettonian environment to expand your professional network. It enables you to connect with other professional OLs throughout the world to do business or just get in touch.

ADVICE and SUPPORT

Sometimes it's helpful to connect with people who are already established in industries or who can provide invaluable advice. With **OL Business Connect** you can make the most of Loretto's unique and enviable global professional network.

TRUST

Ultimately we connect and do business with people that we trust. Sometimes finding such relationships can take time. The **OL Business Connect** platform enables OLs to seek out and build professional trusting relationships with those sharing the same unique Lorettonian background. **OL Business Connect** also allows us as a community to give back and support younger OL generations.

We look forward to warmly welcoming you to OL Business Connect very soon. Please visit us at **OL.LORETTO.COM**

HOW DO I GET STARTED?

Simply head to the OL section of the School's website **ol.loretto.com**

1. Enter your log in details. (If you have forgotten your password click on "forgot your password?")
2. This will allow you access to the members' area of the site. You can then click on the drop down menu which will give you the option of "**Business Connect**".
3. Click on Business Connect and you will be prompted to update your own professional details after which you can search for other contacts via 'industry' or 'geography' in order to get started
